Do you know if it will be damp or muddy in the basement?

Below is the directions for the tour this afternoon at 3:45 pm. I'll let you know if I'm able to go myself but unlikely. (You're my plus one!)

THURSDAY:

Please meet at the lower chamber door (on the right facing the Lincoln Memorial). There is no parking available so uber, taxi, or walking is recommended. Luke Bullock will be advancing, so if you run into any trouble just call his cell (202-897-7225).

And here's the details of the tour ...

The Secretary has offered to do a few special tour of the Lincoln Memorial. These tours are closed to the public and can only be accessed by the Secretary of the Interior. This includes a guided tour of the basement, where you can view graffiti from workers who helped to build the Memorial and the stalagmites and stalactites throughout the underground, and the fantastic view of Washington from the rooftop.

Thanks!

Leila
